PREAMBLE

This Agreement, effective as of the first day of July, 2019 by and between the Board of Education of the Township of Old Bridge, New Jersey, hereinafter called the "Board" and the Old Bridge Education Association, hereinafter called the "Association."

WITNESSETH

Whereas, the Board and the Association recognize and declare that providing a quality education for the children of the Township of Old Bridge is their mutual aim and that the quality and morale of the staff are a significant factor in quality education. Resolved, in consideration of the following mutual covenants it is hereby agreed as follows:

ARTICLE I RECOGNITION

A. The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for all personnel listed as follows: teachers, guidance personnel, psychologists, social workers, certified school nurses, registered nurses, learning disability teacher consultants, speech and language specialists, librarians, secretaries and clerks, long-term substitutes as defined in Article XXX, paraprofessional aides, custodians, fieldmen, maintenance men, technology staff, security guards, attendance officer(s), bus aides, bus drivers, mechanics, and athletic trainers.

B. It is agreed that the following titles shall not be members of the bargaining unit: Superintendent's Secretaries, Assistant Superintendents' Secretaries, and Business Administrator's Secretary, Executive Assistant-Personnel, and Payroll Specialist.

C. Unless otherwise indicated the term "teacher" when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the negotiating unit as defined above, and references to male employees shall include female employees.

ARTICLE II NEGOTIATIONS PROCEDURE

A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with N.J.S.A. 34:13A-1et seq. in a good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall begin not later than December 1 of each calendar year. The parties shall exchange proposals not later than November 30th.

B. During negotiations, the Board and Association shall present relevant non-confidential data, exchange points of view and make proposals and counter

proposals. The Board shall make available to the Association non-confidential data and information as may be relevant to the negotiation process. The Board shall provide the Association with estimated budget amounts for expenditures for the next year which will not be affected by negotiations between the Board and the Association on the next business day following the business day when the Superintendent places the figures in the Board's information packet.

C. The parties mutually pledge that their representatives shall have the authority to make proposals, consider proposals, and make counter proposals in the course of negotiations. Any agreement arrived at by the negotiating representatives will be submitted to the school Board and the membership of the Association for ratification, decision, or vote. Any agreements of the parties will be reduced to writing and will become binding for the period of the agreement when ratified and signed.

D. Except as this Agreement shall herein otherwise provide, all terms and conditions of employment applicable on the effective date of the Agreement, as established by the rules, regulations, and/or policies of the Board in force on said date, shall continue to be so applicable during the term of this Agreement. Proposed new rules and/or modifications of existing rules governing working conditions shall be negotiated with the majority representative before they are established.

E. Nothing herein shall be construed to prevent any official from meeting with an employee organization for the purpose of hearing the views and requests of its members in such unit so long as (a) the majority representative is informed of the meeting; (b) any changes or modifications in the terms and conditions of employment are made only through negotiations with the majority representative; and (c) a minority organization shall not process grievances.

F. This Agreement shall not be modified in whole or in part except by an instrument in writing duly executed by both parties.

ARTICLE III GRIEVANCE PROCEDURE

A. Definition

1. A "grievance" is a complaint about the interpretation, application, or alleged violation of policies, agreements, or administrative decisions affecting an employee or group of employees.
2. A "school day" is any weekday including weekdays when school is not in session.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may from time to time arise affecting the welfare or terms and conditions of employment of employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of

administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement, and that the Association has been given the opportunity to be present at such meeting and to state its views.

C. Procedure

1. Such grievance shall be filed within thirty (30) school days of the date of the grievance or the date that the employee or group of employees should have reasonable knowledge of the grievance.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following year could result in irreparable harm to a party of interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One

An employee with a grievance shall first discuss the grievance with his/her principal or immediate supervisor, either directly or through a representative designated by the Association, with the objective of resolving the matter informally. If the complaint is not resolved informally within five (5) calendar days following the informal discussion with the principal or immediate supervisor, the grievant shall submit the grievance in writing to the principal or immediate supervisor within ten (10) calendar days after the informal discussion with the principal or immediate supervisor. The principal or immediate supervisor shall respond in writing within fifteen (15) calendar days of receipt of the written grievance.

4. Level Two

If the written response of the principal or immediate supervisor is not acceptable, the Association shall refer the grievance to the Superintendent of Schools. The written grievance must be submitted to the Superintendent of Schools within five (5) calendar days of receipt of the written response of the principal or immediate supervisor. The Superintendent of Schools, or his representative within Central Administration, shall render his decision, in writing, within thirty (30) calendar days after receipt of the written grievance.

5. Level Three

a. In the case of a grievance about the interpretation, application, or alleged violation of the written Agreement between the Board and the Association, the final step shall be binding arbitration. The arbitrator shall be selected under the rules of the Public Employment Relations Commission. In the case of a grievance, which involves the interpretation, application, or alleged violation of the Board's policy or decisions of the Administration, which in either case is not in conflict with the Agreement, the determination by the Board shall be final.

b. The parties agree that each will attempt a news blackout for fifteen (15) days after receipt of the arbitrator's award.

c. The arbitrator shall be limited to the issues submitted to him and shall not add to, subtract from, or modify the terms of the Agreement.

d. The fees and expenses of the arbitrator will be shared equally by the parties.

- e. Arbitration meetings will be held at times other than the regular school day.

D. Miscellaneous

1. Grievance meetings will be held without causing loss of pay to teachers.
2. A separate file for grievances will be maintained.
3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary forms shall be prepared jointly by the Superintendent and the Association and shall be given appropriate distribution to facilitate the functions of the grievance procedure.
4. All decisions rendered in the grievance procedure shall be in writing setting forth the decisions and the reasons therefore and shall be submitted promptly to all parties in interest. All meetings and hearings under this procedure shall not be conducted in public.
5. If a grievance affects a group or a class of employees, the Association may process such grievances as a single grievance submitting the grievance in writing (to so classify such grievances) at the First or Second Level, whichever is appropriate.

E. Rights of Teachers to Representation

Any aggrieved person may be represented at all levels of the grievance procedure by himself, or, at his option, by a representative selected and approved by the Association. Copies of grievances formally submitted by an individual shall be forwarded to the Association. When an employee is not represented by the Association, the Association shall be present and may state its views at all stages of the grievance procedure.

F. The Grievance Chairperson

The Grievance Chairperson shall be granted a half staff release day per month for the purpose of reviewing grievance issues with Central Administration. If such accommodation is mutually recognized by the parties as impractical, other arrangements may be jointly established which provide at least the same amount of release time for the chairperson.

G. All Grievances Beyond Level One

All grievances beyond Level One shall be in writing, setting forth the following:

1. The specific nature of the grievance.
2. All sections of the Agreement, Board policies, and administrative decisions which the Association alleges have been violated.
3. All facts, sections of the Agreement, Board policies, and administrative decisions upon which the Association intends to rely to demonstrate a violation of the agreement, Board policy, or administrative decision.
4. All remedies sought.
5. All reasons for dissatisfaction with the outcome at the previous step.
6. The administration and Board will respond to each one of the violations identified and indicate the reasons for denial.

ARTICLE IV EMPLOYEES' AND BOARD'S RIGHTS

A. The parties recognize and affirm that they are bound by the provisions of N.J.S.A. 34:13A-1, et seq., as amended.

B. Nothing contained herein shall be construed to deny or to restrict any employee such rights as he may have under New Jersey School Laws or other applicable laws and regulations.

C. No employee shall be disciplined, reprimanded, or reduced in rank or compensation without just cause. In the case of Custodial, Field and Maintenance employees hired on or after July 1, 2012, this clause shall also apply to Contract non-renewal.

D. Whenever any employee is required to appear before the Superintendent, Board or any committee or member thereof concerning any matter which may seriously or imminently adversely affect the continuation of the employee in his office, position, or employment or the salary or any increments pertaining thereto, then he shall be given prior written notice of the reasons for such meeting or interview. Such written notice shall inform the individual that he is entitled to have a representative of the Association present to advise him and represent him during such meeting or interview. Except in the case of tenure charges filed with the Commissioner of Education or a criminal indictment, any suspension of an employee will be with full pay.

E. No employee shall be prevented from wearing pins or identification of membership in the Association or its affiliates.

F. Student grades shall be determined by the teacher upon his professional judgment within the grading policy of the Board. In cases where a student's grade is requested to be changed, the principal shall first discuss the change of grade with the teacher. If the grade is changed, the teacher may make a report in writing to the principal. Upon receipt of this report by the principal, the report will be counter-signed by the principal, one copy will be returned to the teacher and one copy will be placed in the student's file.

G. The Association recognizes that the Board may not by agreement delegate authority and responsibility which by law are imposed upon and lodged with the Board exclusively. It is understood by the parties that, under the ruling of the Courts of New Jersey and the State Commissioner of Education, the Board is forbidden to waive any rights or powers granted exclusively to it by law. The Board retains the right to hire, assign, promote and direct employees covered by this Agreement or to take disciplinary action against said employees (up to and including discharge) for just cause, to direct school operations, and take whatever other actions may be necessary to accomplish the mission of the school district except as may be specifically provided by the language of this Agreement.

H. Registered Nurses shall serve a probationary period of ten (10) consecutive months during which time they may be dismissed from service for any reason,

provided they receive sixty (60) days notice. After the probationary period discipline or dismissal shall be in accordance with Article IV, Section C, herein above.

I. Except in situations requiring immediate action, disciplinary actions or reprimands shall not be conducted in the presence or with the knowledge of students, staff members, or community members.

ARTICLE V ASSOCIATION RIGHTS

A. The Association and its representatives shall have the right to use school buildings at reasonable hours for Association meetings provided approval has been granted by the Superintendent, which approval shall not be unreasonably withheld.

B. The Association shall have in each school building the exclusive use of a bulletin board in each faculty lounge. Copies of all materials to be posted on such bulletin boards shall be given to the building principal, but no approval shall be required.

C. The Association shall have the right to reasonable use of school facilities and equipment including computers, smartboards, copy machines, calculators and audio-visual equipment when such equipment is not otherwise in use. The Association shall pay for or replace all materials and supplies incident to such use and for any repairs necessitated as a result thereof.

D. The Association shall have the right to reasonable use of the school mailboxes.

E. The President of the Association shall be granted time during the school day for Association business; for high school and middle school teachers, this time will be arranged as four (4) consecutive periods per day, inclusive of lunch and preparation periods. For elementary school teachers, a like amount of consecutive periods will be provided.

F. Should the Board undertake to place in effect a twelve (12) month school year, the Board shall thereupon negotiate with the Association in an effort to reach an agreement concerning terms and conditions of employment applicable to a twelve (12) month school year. Any dispute arising out of the application of or failure thereof of this section shall proceed to the New Jersey Public Employment Relations Commission.

H. The OBEA shall have the right to meet with newly hired employees, without charge to the pay or leave time of the employees within thirty (30) calendar days from the date of hire, during new employee orientations, or if the employer does not conduct new employee orientations, at individual or group meetings. Meeting duration time is up to 120 minutes, in no cases less than 30 minutes, with final duration of time needed to be determined by the Association.

I. Within ten (10) calendar days from the date of hire of any employee, the district shall provide the following contact information to the OBEA in an Excel file format or similar delimited style file format that has manipulability and has been agreed to by the OBEA. It

shall include: name, job title, worksite location, home address, work telephone numbers, and any home and personal cellular telephone numbers on file with the district, date of hire, and work email address and any personal email address on file with the district.

J. Beginning on January 1, 2019 and every one hundred and twenty (120) calendar days thereafter, the Board shall provide the OBEA, in an Excel file or similar delimited style format that has manipulability agreed to by the OBEA, the following information for all employees: name, job title, worksite location, home address, work, home and personal cellular telephone numbers, date of hire, and work email address and personal email address on file with the district.

K. The home addresses, phone numbers, email addresses, date of birth, and negotiation units and groupings of employees, and the emails or other communications between employee organizations and their members, prospective members, and non-members, are not government records and are exempt from any disclosure requirements of P.L.1963, c.73 (C.47:1A-1 et seq.) The district shall not disclose employee information, except as outlined in sections I and J above.

L. The Board and/or its agents, members of the administration, shall not encourage negotiation unit members to resign or relinquish membership in the Association and shall not encourage negotiations unit members to revoke authorization of the deduction of fees to the Association or its unified affiliates. The Board and/or its agents, members of the administration, shall not encourage or discourage an employee from joining or assisting the Association.

M. Should a negotiations unit member notify the Board or its agents that they wish to resign or relinquish membership in the Association, the Board shall require the member to submit a dues termination form and provide a copy of same to the Association's president or his/her designee within five (5) calendar days of receiving the form the unit member. Negotiations unit members may only resign or relinquish their membership or terminate dues deductions during the ten (10) calendar days following each anniversary date of the employee's employment. A withdrawal shall take effect on the thirtieth (30th) calendar day after the anniversary date.

N. The Parties agree that the date of hire shall be defined as the first day of work in the then current district for any negotiations unit member. This shall include any new employee orientation day(s) required by the Board.

ARTICLE VI LENGTH OF THE SCHOOL YEAR

A. 1. The in-school work year for staff employed on a ten (10) month basis, except as modified by Section B herein below, shall not exceed 184 days. The annual students school year shall not exceed 181 days. The annual school calendar shall be determined and set by the Board each year.

2. The in-school work year for teachers employed on an eleven (11) month basis, except as modified by Section B herein below, shall not exceed two hundred and one (201) days.

3. Teachers on a ten (10) month contract will be permitted to leave on the last day of the in-school work year provided they have satisfactorily completed all requirements for closing.

4. The workday on staff in-service days when students are not present shall be from 8:45am - 3:25pm. Administration will make best efforts to provide staff with time for classroom setup during in-service days prior to the first day of school for students. Any such time will be scheduled by administration to fit the professional development in-service plan, but will be in addition to contractual lunch and travel time.

B. Newly hired teachers may be required to attend an additional three (3) days prior to the commencement of the school year, 2.5 of those days will be used for in-service training and .5 of those days will be used for the OBEA to meet with staff or to allow staff members to work in the classroom. Second and third year teachers may be required to attend an additional two (2) days prior to the commencement of the school year, 1.5 of those days will be used for in-service training and .5 of those days will be for the staff member to work in the classroom.

C. At the discretion of administration, newly hired teachers may be required to attend four (4) hours of training after dismissal on regular school days, except those immediately preceding a weekend or other holiday or vacation, provided that no training session exceeds 1.5 hours in length or extends past 5:30pm.

ARTICLE VII TEACHING HOURS AND TEACHING LOAD

A. The elementary in-school workday shall not exceed six (6) hours and forty (40) minutes, which shall include no more than three hundred and twenty (320) minutes of classroom teaching time. The high school in-school workday shall not exceed seven (7) hours and fifteen (15) minutes which (except in pre-vocational and vocational teaching) shall include no more than five (5) classroom teaching periods. The middle school in-school workday shall not exceed the high school work day.

B. Teachers shall have a daily duty-free lunch period of fifty (50) minutes at the elementary schools; forty-five (45) minutes at the middle schools; and forty-one (41) minutes at the high school (excluding passing time of at least four minutes between class periods at the high school).

C. Teachers may leave the building without requesting permission during their scheduled duty-free lunch periods. The principal of each building shall prepare a rotating roster of teachers so that a teacher shall be available in the building each day during the regularly scheduled lunch period. During this period, aides may call upon the teachers for supervision in unusual situations or in emergencies. Teachers may also leave the building during other scheduled duty-free time, with permission of the Principal, which shall not be withheld except where the request conflicts with planned activities.

D. Administration will make every effort to secure substitutes as needed. In the event a regular substitute has not been secured for an assignment, class coverage

shall be offered on a volunteer basis to regular teachers first prior to per diem substitutes. In the absence of volunteers, a teacher may be assigned to serve a teaching period from his duty. Although assigning a teacher during a preparation period is undesirable, nothing contained above shall prevent the emergency assignment of a teacher as a substitute during a preparation period. Volunteers and assigned teachers shall be compensated at the rate of \$34.85 per period for 2019-24.

E. Teacher participation in extracurricular activities shall be voluntary, and shall be compensated according to the rate of pay and/or released time in Schedules B & C. In the event the Board assigns a teacher to an extracurricular activity, such assignment shall be for no more than one (1) year. Nothing in this paragraph shall prevent the assignment of a qualified teaching staff member from within the District if no qualified employee volunteers for the position and the Board is unable to employ a qualified person from outside the District.

F. 1. Middle School Subject Area Coordinators shall be relieved of arrival, dismissal, homeroom and daily duty assignments in lieu of duties attributable to the coordinator assignment.

2. Teachers assigned to travel between one or more buildings per school day shall not be assigned any permutation of duty on travel days.

G. Teachers may be assigned to a curriculum committee. Four (4) curriculum meetings will be held per year, not to exceed one and one half hours in duration. In addition, one (1) school faculty meeting will be held per month, not to exceed one hour beyond faculty dismissal time. At the high school level, faculty meetings will not exceed one hour past student dismissal time.

H. There will be two (2) night conferences for which there will be one half-day teacher compensatory time off for each night conference. All professionals represented by this Association will attend night conferences. Nothing contained in this paragraph shall be construed as altering the Board's managerial prerogative regarding the scheduling and number of conferences. A substitute will be provided for Kindergarten teachers during conference periods. If the board is unable to provide said substitutes, kindergarten teachers will be compensated at the rate of \$95.00 for the conference period.

I. Elementary teachers shall have four (4) forty-three minute planning periods per week. They shall also have an additional forty-three minute planning period for the sole purpose of curriculum development and/or other improvements in instruction as determined by the administration.

J. 1. The Elementary Mathematics Coordinator and the Elementary Language Arts Literacy Coordinator both shall work the regular teachers' school year calendar and the established elementary school hours.

2. The duties of both coordinator positions shall be exclusive of classroom teaching responsibilities or duty periods.

3. Coordinators involved in after school or evening workshops or similar presentations will be compensated by an hour for hour flex time arrangement. The

equivalent of time spent in such workshops/presentations shall be taken the next working day or where such time is not available during the first available work day immediately thereafter. Flex time will be available in units of time equivalent to actual time spent in such workshops or presentations and shall not be combined with other flex time hours to establish longer periods of time off.

K. The Board will provide common planning time where administratively feasible within the daily schedule at each school for all teachers performing in-class support.

L. High School Laboratory Science teachers, on days when a double laboratory period is scheduled, shall teach no more than six (6) classroom teaching periods per day, inclusive of the double laboratory periods and shall not include any duty periods. Further, said teachers shall not be scheduled for nor shall they teach more than twenty-four (24) periods per week, which shall be inclusive of all laboratory periods.

M. High School Vocational Education teachers shall teach no more than six (6) classroom teaching periods per day and shall not include any duty periods. Said classroom teaching periods shall not exceed three (3) periods in succession and shall be arranged in no more than two (2) teaching blocks per day. Said schedule shall include time off between teaching blocks so as to provide teachers with the opportunity to take lunch. Said teachers shall work flexible hours and shall not be held to the regular starting or ending times of the regular school day, except that the starting time shall not be earlier than 7:25 AM and ending time shall not be later than 2: 25PM.

N. At the high school, daily sign out, except on early dismissal days and days of faculty or curriculum meetings, shall be 2:25 pm. Teachers shall be available to provide extra help, except on days of said meetings or on days prior to holidays, every Monday through Thursday.

O. Starting/ending times for staff at the high school level shall be 7:25am -2:25pm, middle school level shall be 8:00am-3:00pm, and elementary level shall be 8:45am-3:25pm.

P. All teachers shall be required to attend one (1) open house evening session per school year. Teachers and those other staff members directed to attend shall be entitled to early release on the Friday prior to the Memorial Day Weekend. Attendance at only one open house shall be determined by administrative direction for teachers assigned to more than one building.

Q. Independent Study: Students in certain limited electives that request independent study will only be placed in a class if the teacher recommends their inclusion.

R. Flex Time: The Association agrees that management shall have the right to implement flexible scheduling for the efficiency of teaching and instruction provided that the maximum number of daily work hours remains unchanged by said flexible schedule. If implemented, management will first seek volunteers in making flexible assignments. Absent volunteers, assignments will be made.

However, management agrees flexible assignments will not be made which would negatively impact on coaches and/or other paid extracurricular advisors, thereby causing them to lose their extra compensation position resulting from said flexible schedule.

ARTICLE VIII NON-TEACHING DUTIES

The Board, to the extent possible with existing clerical personnel, will provide assistance to teachers with the following non-teaching duties:

A. Collections

Pupils return picture money to school in sealed envelopes and said envelopes are turned in to the principal's office. Teachers are not required to count or tally the money.

B. General Supervision

Teachers, (elementary, middle, and high school), may volunteer to perform cafeteria duty and shall be compensated at the rate of \$20.00. Based upon the hourly rate of \$20.00, the lunch period coverage rate shall be \$10.00 at elementary and high school and \$15.00 at the middle school. In the absence of volunteers, a teacher may be assigned to serve cafeteria duty for the appropriate compensation. Such assignment shall be made from a rotating roster of teachers. Except in an emergency, teachers may only be assigned on days when they have a planning period.

C. Transportation

1. Teachers shall not be required to drive students to activities which take place away from the school building. A teacher may do so voluntarily, however, with the advance approval of his building principal or immediate supervisor. He shall be compensated at the rate per mile as established by the State OMB rate, effective July 1, 2019, for the use of his own automobile.

2. Appropriate insurance in connection with the foregoing will be as presently provided.

D. General Requests

Custodians are on call to assist teachers with all reasonable custodial and maintenance requests. Reasonable procedures for obtaining custodial or maintenance assistance, as established by administration, will be followed.

Any teacher or coordinator required by the board to appear at a night meeting other than those delineated in the contract shall receive \$15 and mileage to and from their home.

ARTICLE IX TEACHER EMPLOYMENT

A. 1. Previously employed teachers returning to the district on a permanent, non-substitute basis, shall be placed on their proper step of the salary guide. Previously employed teachers returning as long-term substitutes, and appointed by the Board as long-term substitutes, shall be subject to the hiring provisions set forth herein below.

2. At the time of initial hiring, teachers shall be given credit on the salary level on the salary guides upon initial employment in accordance with Schedule A as follows:

a. Up to Step 4 on the respective degree/credit salary guide for previous experience in a non-Old Bridge accredited school.

b. B. Teachers shall be notified of their contract and salary status for the ensuing year no later than May 15th.

C. Previously accumulated unused sick leave shall be restored to all returning teachers.

ARTICLE X SALARIES

A. The salaries for all teachers covered by this Agreement are set forth in Schedule A which is hereto attached and made part hereof.

B. 1. Teachers employed on a twelve (12) month basis shall be paid in twenty-four (24) semi-monthly installments.

2. Teachers employed on a ten (10) month basis shall be paid in twenty (20) semimonthly installments.

C. Employees must arrange for direct deposit of their pay to a financial institution of their choice where funds shall be made available on pay day at the start of the financial institution's business day. Direct deposit shall be required for all employees.

D. Salaries for all Registered Nurses covered by this Agreement are set forth in Schedule J, which is hereto attached and made part hereof.

E. Advancement between guides shall be prospective only, after submission of all necessary transcripts and paperwork. The guide movement will appear on the Board's next regular action agenda, provided all paperwork is submitted no less than seven (7) days before said meeting, and the salary change shall take effect in the payroll issued on the 15th of the next calendar month.

ARTICLE XI TEACHER ASSIGNMENT

A.1. All teachers who are employed at the beginning of the school year shall be given written notice of their general subject area of assignment for the forthcoming year by June 1st or as soon as is practicable.

2. In the event of changes in such assignments, the Association and the teacher affected shall be notified promptly in writing.

B. Teachers who may be required to use their own automobiles in the performance of their duties shall be reimbursed for all such travel at the rate per mile as established by the state government for all driving between assignments. This shall not include mileage from the teacher's home to the home base school and return.

C. No teacher who is transferred or reassigned, or moved from one room to another or from one facility to another shall be required to move any teaching materials or supplies. Further, the board will supply up to eight (8) boxes for said move.

ARTICLE XII VOLUNTARY TRANSFERS AND REASSIGNMENTS

A 1. The Superintendent shall deliver to the Association and post in all school buildings a list of all known vacancies, which shall occur during the following school year as the need to fill said vacancies become known.

2. Teachers who desire a change in grade and/or subject assignment or who desire to transfer to another building may file a written statement of such desire with the Superintendent not later than April 1. Such statement shall include the grade and/or subject to which the teacher desires to be assigned and the school or schools to which he desires to be transferred, in order of preference.

3. As soon as practicable the Superintendent shall notify the applicants and send notice to the Association of all teachers who have been reassigned or transferred.

ARTICLE XIII INVOLUNTARY TRANSFERS AND REASSIGNMENTS

A. Notice of involuntary transfer or reassignment shall be given to teachers immediately after the regular April Board meeting, if known by then, and to all others as soon as practicable.

B. In the case of an involuntary transfer or reassignment the Administration shall meet with the involved teacher and shall inform him of the transfer or reassignment and of available positions to which he may be transferred or reassigned and shall give consideration to his choice among them.
